COVID-19 Vaccination
Community Information Session
Mandarin Speakers

Please join NSW Health for an online information session in Mandarin

<u>Bilingual health professionals</u> will answer your questions about the COVID-19 vaccines

This includes:

- Why should I get vaccinated?
- Which vaccine is best for me?
- Where can I get vaccinated?
- How do I prepare for my vaccination?

✓ Getting vaccinated is an important way to protect yourself, your family and your community
✓ The more people who get a COVID-19 vaccine, the safer we will all be

This session is presented by the
Multicultural Health Service and Public Health Unit
